

Daily Prayer for My Husband

Lord I ask You to please guard, guide and protect *my husband* today. I pray that everything he does today will bring him in closer friendship with You. Give him the strength, courage and determination to be Your light in a darkened world; bringing others to know, love & serve You.

Teach him to diligently guard his senses keeping his heart and mind pure and undefiled, always on the ready to bless, praise and share You. Make Your thoughts his thoughts and Your words his words.

Thank You Lord for his spiritual leadership as a husband and father; help him to grow in grace and wisdom in that most important role You have given him. Enlighten his mind and heart, fill them with Your truths so he can love, lead, guide and guard our family according to Your ways.

Thank You for his day in--day out faithful service to our family. I pray You will continue to increase his skills and ability so he may be able to serve and provide for our family--blessing us and glorifying You in all he puts his heart, mind and hands to.

I pray *my husband* will seek You first in all he does, walking in a manner worthy of You, bearing every good fruit. The cares of this world are great Lord, I pray *my husband* will seek comfort and consolation in You, taking up his cross and carrying it with meekness and humility. Make him a man after Your own heart.
